

Hi [REDACTED]

Thank you for sending us the feedback from the recent publicity period and respond to [REDACTED]'s email below as follows.

The responses particularly from Gladman Developments Ltd have been duly considered. Throughout the NDP development process the Steering Group have consulted with all parties and given due consideration to all comments received in preparing the Plan.

Gladman Developments Ltd has made consistent objections to the Plan, in particular in relation to the validity of the LCA. An addendum to the LCA has been issued in response to these objections, and our position is not altered by this most recent representation.

A further response is in our view unnecessary, and therefore request that the Examiner continue his assessment of the Plan.

Regards

[REDACTED]
