INFORMATION FOR VOTERS

Information Statement

A Referendum relating to the adoption of the Wantage Neighbourhood Development Plan will be held for the Wantage Neighbourhood Area on Thursday 1 May 2025.

This information sheet explains more about the Referendum that will be taking place.

The question asked at the Referendum will be:

Do you want Vale of White Horse District Council to use the Neighbourhood Plan for Wantage to help it decide planning applications in the neighbourhood area?

You vote by putting a cross (X) in the 'Yes' or 'No' box on the ballot paper.

If more people vote 'yes' than 'no' in the Referendum, then Vale of White Horse District Council will use the Wantage Neighbourhood Development Plan to help it to decide planning applications within the Wantage Neighbourhood Area.

The Neighbourhood Plan, once adopted, will then become part of the Development Plan used by the Local Planning Authority (Vale of White Horse District Council).

If more people vote 'no' than 'yes', in this Referendum or there is a tied vote, then planning applications will continue to be decided without reference to the Neighbourhood Development Plan as part of the Development Plan for the local area.

The Referendum will be conducted in accordance with procedures similar to those used at local government elections.

What is Neighbourhood Planning?

Neighbourhood planning was introduced under the Localism Act 2011 to give local communities more control in the planning of their neighbourhoods. It introduced new rights and powers to allow local communities to shape new development in their local area. It enables communities to develop a shared vision for their neighbourhood and deliver the sustainable development they need through planning policies relating to the development and use of land.

What is a neighbourhood area?

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or parish councils
- A neighbourhood forum a group of at least 21 people (in areas without a town or parish council)

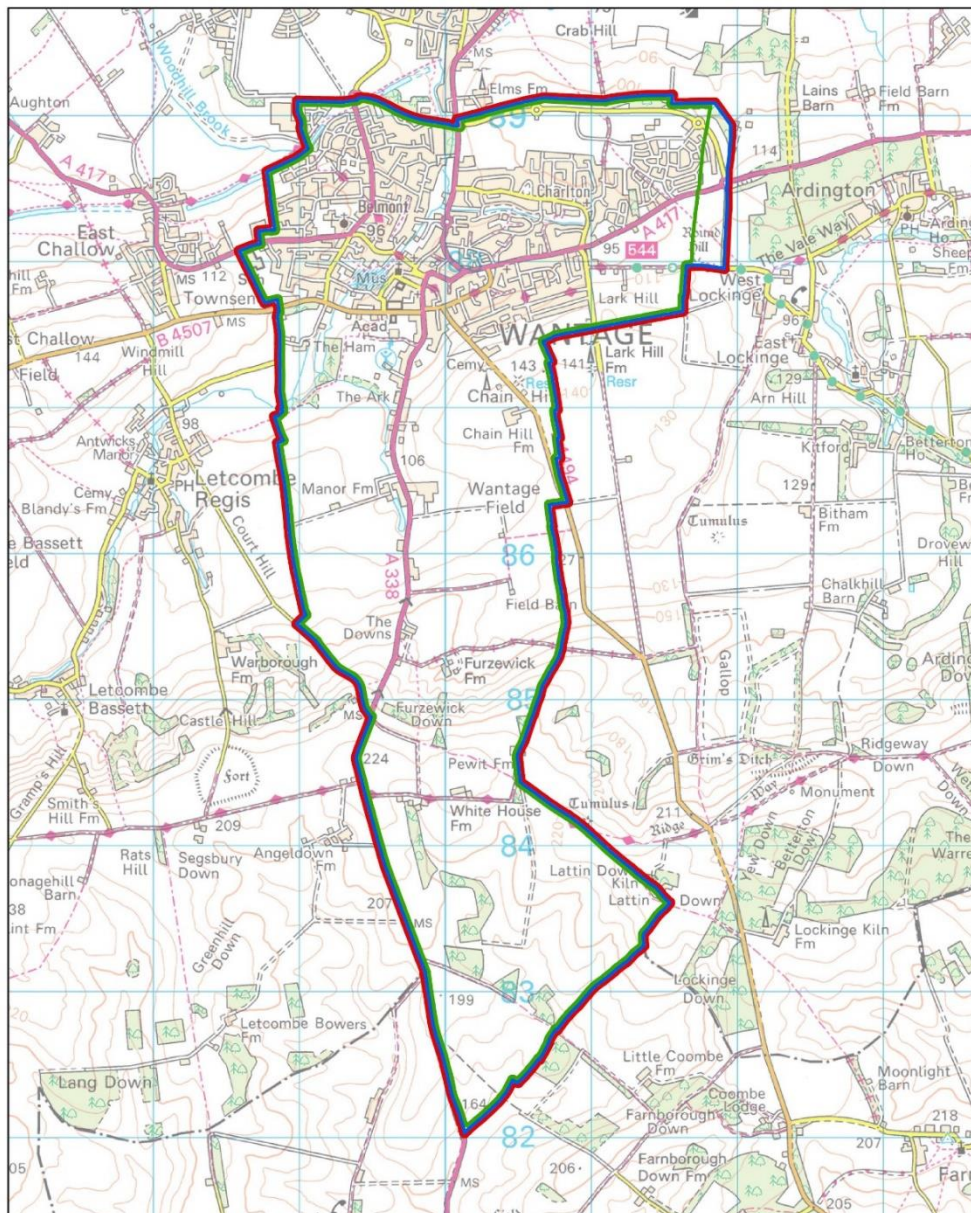

What is a Development Plan?

In England, planning applications are determined by local planning authorities in accordance with the development plan. A development plan is a set of documents

that set out the policies for the development and use of land across the entire local authority area.

Wantage Neighbourhood Plan Area and Referendum Area

The referendum area has been extended to include properties off King Alfred Way which fall outside of the designation Neighbourhood Plan Area. The properties concerned are within confines of the town as now physically defined by King Alfred Way and the occupiers of the houses concerned will have the opportunity to access the retail, commercial, community and leisure services within the town and which, in different ways, the Plan addresses.
