- (b) a trust, a trustee of that trust:

Warning – it is a criminal offence for a ratepayer to give false information when making an application for small business rate relief.

As far as I know and believe, the information I have given on this form is correct. I understand that if I knowingly give any incorrect or untrue information that I may be liable to prosecution for theft by obtaining financial advantage by deception and a possible summary conviction to a fine not exceeding level two on the standard scale.

I am aware that a condition of any award of small business rate relief I (the ratepayer) must advise the council in the following circumstances.

- Where the rateable value of any property you occupy in **another** Council area increases.
- You occupy any property, which is not mentioned, on your previous application for relief.

And that failure to notify the Council within four weeks of the date of change will mean that I (the ratepayer) will no longer be entitled to the relief. If I (the ratepayer) notify the Council after the four week period, I (the ratepayer) note the relief will be lost from the day after the date of change until the day on which the Council is notified.
