Notes on completing the form

Please read our 'Guidance for applicants and licence holders' which can be found on our website [before completing this form](#).

Section 1a Complete this section if you are applying for the licence as an individual

Section 1b Complete this section if you are applying in another capacity, for example as a limited company.

Section 2 Provide details of the business premises that the pavement licence will be used in conjunction with, and tick one of the options to indicate what purpose the business premises is used for.

Section 3 Describe the area of highway that you want to place the removable furniture on. The description should indicate the proximity of the area of highway to the business premises and give details of the dimension of the area.

Section 4 A pavement licence can only be used to authorise the placing of removable furniture on the highway for certain 'relevant purposes'. Please tick one option to indicate what purpose(s) the removable furniture placed on the highway will be used for if a licence is granted.

Section 5 Please indicate the times you would like to place removable furniture on the highway for on each day of the week. Use the 24 hr clock (so for example you should put 19:00 rather than 7.00pm). Please note the Council's standard conditions for pavement licences generally only permit pavement licences to operate from 08:00 – 21:00. Applicants wishing to operate outside these hours must therefore include additional information as to how they will prevent nuisance affecting nearby residents, such as a noise management plan.

Section 6 Use this section to describe the furniture you wish to place on the highway. You should provide full details including the number of tables, number of chairs, and details of the barriers being used to separate the licensed areas from the rest of the highway to guide persons with a visual impairment around the area.

Section 7 This section should be used if there is a contact for correspondence different from the applicant, such as an agent. All correspondence will be sent via email.

Section 8 Use this checklist to make sure you have submitted all required documents with the application.

Section 9 The applicant must complete this section to confirm they have read and understood the declarations.

How to submit your application

Once completed, this form and any supporting documents should be submitted through our online application portal. The link to the portal can be found at www.whitehorsedc.gov.uk/pavementlicences.

Alternatively, you can email the completed application form and all supporting documents to us at the below email address. We will then contact you by telephone to collect payment. Please note that the application is not complete (and therefore the consultation period does not start) until payment has been taken. We therefore strongly suggest you use the online application portal as applying by email is likely to delay the completion of your application. If you are emailing your application and documents, please send them all attached to a single email if at all possible, so that we can deal with your application as efficiently as possible.
