

Energy Saving Fair

See money saving ideas in action

Sunday 26 June 2022 10am to 4pm

Oxford Town Hall

A show-case of energy efficiency options and renewable generation for your home, with short talks by experts, installers and householders.

Talks on

low cost measures

air source heat pumps

glazing and ventilation

solar PV and storage

insulation

Free information packs and energy saving freebies e.g. radiator foil (while stocks last)

Talks by Cosy Homes, R-ECO and others between 10.30am and 3pm
